

S-LITE LED FLOOD LIGHT

With unique breather valve to keep balance of the air pressure inside and outside better to ensure IP65 and improve its lifetime

New design with patented removable PIR sensor
Free induction distance, Ensure still IP65 when with sensor

Photocell function available

AC DRIVER | 3 YEARS WARRANTY | DIE CASTING ALUMINUM | IP65

GOOD PRODUCTS ARE DESIGNED

With unique breather design to keep balance of the air pressure inside&outside

- Full die casting aluminum housing with good heat dissipation
- Ultrathin design to have an elegant appearance
- High quality PC reflector to achieve wide beam angle and better illumination effect
- Reliable LED chip with high lumen efficiency
- Efficient LED driver solution to guarantee a safe and good quality
- Multi-function to be more options and more competitive
- 3years warranty
- CE, RoHS approval
- IP65
- With easy and quick installation, widely used in Stadium, Hotel, Advertisement, Park, Plaza...etc

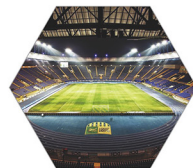

Outdoor wall washing

Make the buildings have a good night show and improve the appearance of the city

Advertising

High advertising lighting to achieve the effect of night publicity

Indoor events

Indoor large events lighting to make it brighter and enhance the atmosphere
